(use the **Children's Medical Report** form, must be completed within the last **12 months**, signed and dated by your child's physician)

Completed applications may be mailed or hand delivered to our office. No faxed copies will be accepted. Incomplete applications will not be accepted. Complete applications will be processed by our office to determine eligibility. **The NC Pre-K Program is not a first come, first serve program; placement is based on priority. Priority is based on a family's income and size.**

The first round of placements will be established in July and applicants will be notified by letter regarding your status by July 20, 2021. All applications received after June 30, 2021 will be considered in the second round of placements. Our program year begins in late August and follows the Harnett County School calendar. While we endeavor to place children in sites according to parent requests, we cannot guarantee your child will be assigned to your site of choice.

We sincerely hope that we can serve your child and help prepare him/her for their transition into kindergarten. If you have any questions, or if we can assist you with the application process, please feel free to contact us at (910) 893-2344. We look forward to working with you!
