**ATTENTION PHYSICIANS AND HEALTH CARE PROFESSIONALS
COMPLETING HEALTH ASSESSMENTS**

This child is an applicant for the 2023-2024 NC Pre-K Program in Harnett County.

Our program is subject to all childcare licensing rules and regulations.

In order to comply with DCDEE Licensing, each child entering NC Pre-K is **required** to have a full **vision**, **hearing** and **dental** screening before entering the classroom.

We ask that you please attempt to complete these screenings during the well child visit. If the child is uncooperative or cannot complete the screenings for some reason, please note this with brief details in the “Any other recommendations” section on the bottom of the Children’s Medical Report form provided.

We ask that you also provide a **copy of any developmental screenings completed** if they resulted in a concern identified or a referral. A **copy of the referral** is also requested for follow up if necessary.

We thank you so much for your help and cooperation with completing this form. Should you have any questions, please contact our office at 910-893-2344.

Kindest regards,

Lena West
