INTRODUCTION

The Harnett County Partnership for Children (hereinafter referred to as HCPC) is soliciting proposals to establish a contract through competitive negotiations. The purpose of this Request for Proposals (RFP) is to acquire the services of a qualified Contractor (hereinafter referred to as the "prospective Contractor") to administer and coordinate the STEP program (see **Scope of Work** below).

Contract term is from July 1, 2024 to June 30, 2025

BACKGROUND

HCPC is a public-private non-profit organization that administers Smart Start and NC Pre-K funds in Harnett County, NC. The mission of HCPC is to improve the quality of life for young children and families in Harnett County through community-based programs focusing on health, education, and family support. HCPC funds programs to improve the quality, affordability and availability of child care as well as children's health and family support efforts that address the needs of children birth to age five and their families.

The mission of the Harnett County Partnership for Children is to improve the quality of life for young children and families in Harnett County through community-based programs focusing on health, education, and family support.

ACTIVITY PROPOSAL

Title: Dolly Parton Imagination Library

The Dolly Parton Imagination Library Program offers and opportunity for all preschool age children to build their own library of books that will help them to develop a love of reading and learning. Children enrolled in the DPIL program receive a carefully selected, age appropriated book delivered by mail to their home each month. Parents of children enrolled in DPIL will be encouraged to actively participate in the program by attending special events and or reading workshops organized by the Harnett County Partnership for Children. (Blended funding both Private and Smart Start) will be used to sponsor participation of children birth to five who live within the county. Participating parents will also be asked to respond to periodic surveys designed to evaluate the programs impact on participating children. Smart Start funds may be used to support administrative services, program materials and child participation fees.

TECHNICAL APPROACH

Activity Description: Please describe the approach that will be used to accomplish the tasks outlined in the Activity Summary. After reading this section, the reader should have knowledge of the activity and how it will operate. Assume the reader has little familiarity with HCPC or the county and answer as completely and in as much detail as possible. Please be sure to address all of the following using either narrative style or specifically answering the questions:

A. Description of Services:

Please address the following in detail:

- the specific service to be offered, including the tasks/goals to be accomplished and when and where this service will operate
- the population to be served, including eligibility criteria for participation
- the staff that will be paid for with Smart Start funds
- the incorporation of effective practices into activity, if applicable.

Grants:

- B. Does this activity contain grants of any kind or incentives to participants? ☐ Yes ☐ No

If you have checked yes, describe in detail.

- C. If it is similar to other services in the county please explain how this service will enhance, expand or work with the service currently offered. (Reminder – duplication/supplantation of services is not approvable: i.e. paying for a Medicaid eligible well child visit)
- D. Describe which organizations and agencies have collaborated in the development or delivery of this service to make it responsive to community need.
